EVERHUTCH

CORE CART

2 BAY

S2D

PRODUCT DESCRIPTION

The cell storage system was specifically designed for use in the healthcare industry. This high-quality logistic system is ISO 3394 standardized and can be used in all departments of the hospital. Because of the adaptability of its components, this system allows customers to find the optimal solution that answers to their specific needs while saving up to 30% of space in comparison to more traditional shelving systems.

Available with multiple lock options, including keyed lock, electronic keypad, and electronic keypad with proximity card reader (two frequencies).

The cart is on four swivel locking casters for ease of movement and designed in a powder coated steel for efficient cleaning, and includes two side handles for easy maneuverability.

- Available heights 76"
- Key lock options
- Tempered glass doors

KEY BENEFITS

Maneuvers easily
