At Everhutch we're designing, engineering and manufacturing vital products for the healthcare space. We provide you with the tools to organize and optimize your environment.

Everhutch leverages more than a century of experience from Kewaunee, a recognized global leader in the design, manufacture, and installation of laboratory furniture products, in: research, education, healthcare, industry and government spaces. A North Carolina based company founded in 1906, Kewaunee's history of quality products and scientific expertise empowers Everhutch to provide you with healthcare solutions and deliver quality patient care. With a suite of products designed to meet the needs of a modern healthcare setting and clinical lab space, flexibility and adjustability are essential.

We've got you, from start to finish. Our products are proudly made in the U.S. under one roof, ensuring quality and reliability throughout the entire process.
