ANESTHESIA CART

PRODUCT DESCRIPTION

The EVERHUTCH Anesthesia STAT Cart is a premium solution designed to streamline anesthesia workflows with enhanced organization, security, and accessibility. Built on EVERHUTCH's durable steel frame, each cart features smooth full-extension soft-close drawer slides, ergonomic stainless-steel drawer pulls, and high-performance casters for effortless mobility in clinical environments. The cart includes an integrated electronic lock for secure access control, along with direction-lock casters, a Flip-Up 20" Writing Surface to support convenient documentation. Key accessories include a Sharps Box Mount, Waste Bin Kit, IV Pole, and a Triple Glove Box to keep essential items within reach. For optimized supply management, both 4-Tilt and 5-Tilt Bin units are incorporated into the design, allowing clear visibility and quick access to smaller items. Finished in a striking True Blue, the Anesthesia STAT Cart delivers a professional appearance and functional excellence for high-demand healthcare settings.
