PRODUCT DESCRIPTION

The EVERHUTCH Code STAT Cart is a purpose-built emergency response cart engineered for speed, organization, and durability in critical care environments. Constructed with a robust steel frame and full-extension soft-close drawer slides, it ensures reliable access to vital supplies when time matters most. This model is outfitted with a suite of high-value accessories to enhance clinical efficiency, including an adjustable overhead utility shelf, a Flip-Up 20" Writing Surface for documentation, a CPR Board Kit for rapid deployment, and a mounted IV Pole for immediate fluid access. Additional features include an integrated O₂ Holder, Suction Pump Shelf, Defibrillator Shelf, and a Sharps Box Mount—each designed to keep emergency tools secure, visible, and within arm's reach. The Code STAT Cart's bold red drawer fronts provide quick visual identification, while its smooth direction-lock casters ensure easy maneuverability throughout the facility.
