SUTURE CART

PRODUCT DESCRIPTION

The EVERHUTCH Suture STAT Cart is a purpose-built solution engineered for quick access and organized storage of suture supplies in fast-paced healthcare environments. Built on the trusted EVERHUTCH cart platform, it features a robust powder-coated steel frame, smooth direction-lock 5" casters, and ergonomic stainless steel drawer handles designed for durability and ease of use. This cart is equipped with essential accessories to support clinical efficiency, including a Sharps Box Mount for safe disposal, a Waste Bin Kit for convenient refuse management, and dual 24" Suture Shelves for organized, high-visibility storage of suture materials. A Flip-Up 20" Writing Surface provides additional workspace when needed and folds down to conserve space. Designed for flexibility, safety, and workflow optimization, the EVERHUTCH Suture STAT Cart is an ideal addition to any procedural area.
