ISOLATION CART

PRODUCT DESCRIPTION

The EVERHUTCH Isolation STAT Cart is purpose-built to support infection prevention protocols while keeping essential supplies organized and accessible at the point of care. Featuring a bold yellow drawer front for easy visual identification, this cart is ideal for designated isolation rooms or high-risk zones. It includes five spacious drawers for categorized storage, a mounted glove box holder for PPE access, a side-mounted waste bin, and a sanitation wipe dispenser for quick access to cleaning supplies. Smooth direction-lock casters allow for effortless mobility throughout the facility, while durable, easy-to-clean surfaces meet strict clinical hygiene standards. Available in both standard and narrow widths, the Isolation STAT Cart offers a flexible footprint to suit various room sizes and workflows.
